

APEUni Summarize Spoken Text Template

Template:

This lecture mainly talks about __. Firstly, the speaker emphasises that __. Also, he/she mentions that __. Lastly, the speaker believes that __. In conclusion, __.

Example: (APEUni Website / APP SST#7)

Notes:

allergy

body react to sth trying to harm

produce hist.. to ride of harmful

assert what triggers

avoid contact

Answer using the template:

This lecture mainly talks about the allergy. Firstly, the speaker emphasises that the body reacts to something that is trying to harm it. Also, she mentions that a chemical element is produced to get rid of harmful substances. Lastly, the speaker believes that we need to know what triggers the allergy. In conclusion, we need to avoid contact with those substances.
